MATTHEW RYCRAFT  
&  
SIGNATURE LIVING

When it comes to planning the wedding of your dreams, the Shunklys believe every moment matters. Their dedicated wedding coordinators will be on hand to work their magic every step of the way.

Matthew Rycraft Photography has worked with Signature Living since the opening of 91 James St. My wedding photographs have been used in their marketing campaign for many years and still feature to this day in all their media channels. You will see lots of familiar images throughout this brochure.

## YOUR AWARD WINNING SHANKLY PHOTOGRAPHER

Photography & art has been in my family for 3 generations. This provenance & passion shines through to your wedding photographs. With a relaxed but professional style, your wedding photographs will have my distinctive classy and dramatic style.

I've worked with the signature group since they first opened 30 James Street. I know the very best spots for your wedding photographs, in fact, I created a lot of the signature shots you see at each venue. Like knowing where the sun sets and at what time, I know the city and locations like the back of my hand.

Knowing the Shanklys wedding co-ordinators and how they like to work is also incredibly important. This helps for a smoother running of the day, as we both know and keep to the schedule planned. We both work together behind the scenes to make sure everything is 150% perfect. And also making sure you have enough time for all your wedding photographs.

I'll blend into the background capturing those natural moments, so you'll barely notice I'm there. Once your wedding photographs are ready, you'll be invited to my studio in Southport for your private viewing. Seeing your wedding photographs for the very first time.
